RE: Provisional Application

Applicant had submitted a Provisional Application entitled, "Mop with wringing operation", using an Express Mail service in a U.S. Post Office on 25 October 2001. The U.S. Express Mail tracking number is # ET252476025US.

On 11/6/01, the U.S. Post Office had unfortunately confirmed that there was no delivery information with regard to the application package which was deposited in the U.S. Post Office on 10/25/2001.

Applicant called the Patent Office for assistances on 11/8/01 and again on 11/19/2001 to inquire about the provisional application and if a duplicate copy of the provisional application was required. Applicant was advised to wait due to the extraordinary event surrounding the Anthrax attacks.

Applicant submits herewith a complete patent application and requests that a claim to the provisional application be considered and included in the application.

Applicant wishes to thank wholeheartedly the assistances offered by the Patent Office personnel and their kind and courteous services with regard to this application. Applicant understands the difficulty and are deeply sympathetic to all the victims in these unusual and ~~tragic~~ ^{tragic} events.

Respectfully submitted,

Kim Ng
